

Where Does All This Lead?

There is a great deal of confusion and speculation surrounding the vaccine which has been pushed upon the world as a whole. The question is not whether the vaccine is safe or effective because it is still experimental. The real question is: what is all this leading to? This tract is written to give you a greater understanding of what the Lord said all of this will lead to.

The vaccine has been used by the powers that be to force people into compliance. It all began with the masks, however. The man of sin in Rome needed to see if the world's population was ready to be subjugated. He needed to see if he could cause people to obey him in his long-prophesied push toward compliance with his mark. And as you have clearly seen, the experiment worked! With no evidence whatsoever, the people have blindly complied with unjustified commands from the powers that be.

Then came the vaccine which has already crippled and destroyed many lives. Many have died within seconds of getting jabbed. Though it is touted in the media as safe, statistics show otherwise. When an FDA hearing about the effectiveness of the COVID vaccine clearly shows that there has been a 1000% rise in adverse effects from this vaccine than all other vaccines over the past 10 years combined, we need to be studying why the narrative is so slanted in one direction.

When athletes who are at the top of their game start having deadly heart attacks on the field, and the only thing they have in common is that they received the vaccine which is already known to negatively affect the heart, then some red flags should be raised.

Luke 21:26 "Men's hearts failing them for fear, ..." The fear-based narrative from those in power has moved people to hate their own neighbors to the point that many have lost their lives in altercations about the wearing of masks and receiving the vaccine. **Revelation 12:12** "... the devil is come down unto you, having great wrath, **because he knoweth that he hath but a short time.**"

What the dying god of this world needs is to find out where the real Christians are. So, he has used the COVID vaccine in an attempt to root us out. He has made the procedure a religious matter. How? Well, in the beginning it was openly declared that aborted human fetal cells were used at some point in the manufacturing process. It was also openly declared that swine was used as well. Then a couple months went by, and all the

media sources were saying that only tinfoil hat wearing conspiracy theorists believe that there are aborted human fetal cells in the vaccine while at the same time erasing all traces of what they were saying during the first couple months. Praise the Lord, it has recently been proven by Project Veritas that the big three manufacturers have been intentionally suppressing the information that, yes, aborted human fetal cells have been used in the manufacturing of their vaccines. And it isn't a stretch to believe that if they were suppressing that information from the public, then they are also suppressing the information about swine cells being in there as well. Satan needs to know where the real Christians are so that by the time the religious laws are enforced and his mark of Sunday keeping is being enforced, it will be that much easier to attack us. **Rev 13:15** "And he had power to give life unto the **image of the beast**, that the image of the beast should both speak, and cause that as many as would not **worship the image of the beast** should be killed."

Rev 14:9, 11 "... If any man **worship the beast** and his **image**, and receive his mark in his forehead, or in his hand, And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who **worship the beast** and his **image**, and whosoever receiveth the mark of his name."

And yes, there will be religious laws because wherever you see the "image" or "mark of the beast" mentioned, it is mentioned right alongside the word "worship". So, he needs to start now. Using the COVID vaccine is a great way to know who we are because no Christian in their right mind would willingly put aborted human fetal cells into their bodies as that is an act of condoning murder. **Commandment #6 – Exodus 20:13** "Thou shalt not kill." Nor would any obedient Christian allow swine cells into their bodies either. **Leviticus 11; Deuteronomy 14 confirmed in Acts 10**

Most Christians are unaware that allowing pig cells into their bodies serves to defile their bodies. Their pastors are to blame here. When a pastor is living in disobedience, he will not be blessed with God given discernment to know right from wrong. Because of his disobedience, he will also lead his flock into the same disobedience. It is the blind leading the blind. But well-educated Christians already know that pig is unfit for human consumption and defiles the body. As a result, they will reject the vaccine, praise the Lord. And it's not like the Lord failed to warn us either. Again, for the first 2-3 months that the vaccine was being touted, it was widely declared to contain both human and pig cells. Our

God never forces us into any decision. What He does is He allows us to make an informed decision all on our own so He can see who loves Him and who does not. The only way to make an informed decision is to have the information necessary to make such a decision. So, God allowed the proper information to come out right at the beginning as a loving warning for His children. **1 John 1:9** "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." And for those who have already chosen to receive the vaccine, please know that there is still time to repent. While you are blessed to have the breath in your lungs, you have every opportunity to repent. And that goes for all of us who sin ... which is everyone. We are promised in **Revelation 14:12** that **obedient** Christians who have Christ as Lord will never get the mark.

Revelation 14:12 "Here is the patience of the saints: **here are they that keep the commandments of God, and the faith of Jesus.**" Satan knows that through the disobedience he has taught the billions of lukewarm Christians, he can cause all of them to fall for his mark in the end. After all, the overwhelming majority of Christian churches already claim that Sunday is the Lord's Day. Because of that, it will be effortless to get these billions of Christians to accept the mark. Bible prophecy declares that the first beast of Revelation will use drugs to manipulate the public at large. This prophecy states that this beast in Rome will use "sorceries" to deceive the world. **Revelation 18:23** "... by thy **sorceries** were all nations deceived."

See Strong's #5331 "sorceries" = Pharmakeia far-mak-i'-ah From G5332, **medication** ("pharmacy"), that is, (by extension) magic (literal or figurative): - sorcery, witchcraft. Here, we get to the main purpose of the vaccine. **It is merely a test to see how easy it will be to manipulate and force the populations of the world to comply with any sort of foul governmental declaration.** The vaccine is being used as a practice run on enforcing religious laws. Soon, the devil will use his long-prophesied weapon of "climate change" in place of the vaccine to force people into compliance. **"The common enemy of humanity is man. In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like would fit the bill. All these dangers are caused by human intervention, and it is only through changed attitudes and behaviour that they can be overcome. The real enemy then, is humanity itself."** - **Club of Rome** One of his main tactics in forcing

people to bow to him is by attacking their livelihood. The Bible calls this the “buy and sell” prophecy. **Revelation 13:17** “*And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*” And you are seeing the test run for this, right now, right in front of your eyes. You may know a person or two who has lost their job due to their brave stand against the forced vaccination mandate. Satan’s man of sin in Rome is claiming that the natural disasters we are seeing (which will get worse) are due to manmade climate change. He will then go on to say that the weather calamities can only be stopped by keeping the manmade tradition of Sunday keeping. But every student of prophecy knows that the weather calamities are only the final signs of our King’s return. Attacking the livelihood of people is a most effective tool of the devil because the majority of Christians do not actually trust in the Lord to take care of them. Instead, they bow at the altar of money.

1 Timothy 6:10 “*For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.*” It is their money they worship ... their money is their savior ... their money is their god. And when their money is threatened, it will be clear for all eyes that see that their faith was nothing more than house of cards. **Matthew 13:20-21** “*But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it; Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended.” When that slight breeze of oppression blows, their faith will fall, and they will accept the mark to preserve their lives and livelihoods just like so many accepted the vaccine to preserve their livelihoods today. **Matthew 16:25** “*For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it.*” Most Christians today will do whatever their government asks because they have been taught to obey man rather than God. **Acts 5:29** “*... We ought to obey God rather than men.*” They have been taught to listen to, believe, trust, and obey their pastors and politicians over and above the God who bought them with His own blood. Every obedient student of prophecy knows that the mark of the beast is a religious law, and that religious law has to do with the forced compliance of Satan’s counterfeit sabbath, Sunday. This is no surprise since his man of sin in the Vatican has openly declared what their mark is.*

“Of course the Catholic Church claims that **the change (Saturday Sabbath to Sunday) was her act...** And the act is a **MARK** of her ecclesiastical authority in religious things.” *H.F. Thomas, Chancellor of Cardinal Gibbons. Nov. 11, 1895*

“**Sunday** is our **MARK** or authority. . .the church is **above the Bible**, and this transference of Sabbath observance is proof of that fact” *Catholic Record of London, Ontario Sept 1,1923*

It is not far-fetched to say that Sunday laws will be enforced because the test run of such laws went flawlessly. Roman Catholic president John F. Kennedy first signed Sunday laws into existence, which we call “blue laws”. These laws forced all government agencies to close on Sunday’s. Though these laws applied to government agencies, many private businesses wanted to show their loyalty by also closing on Sunday’s. Even today, the majority of businesses close on Sunday in honor of the pope’s mandate. Then President Bush signed away the foundation of the American Constitution when on March 7, 2006, he made all churches who hold a 501c3 contract official government agents with the power to legislate law. The date on which President Bush did this is also important because it was on March 7, 321ad that Constantine made the first Sunday laws. From there, President Trump, on December 2, 2017, made it legal for preachers to lobby for religious laws from the pulpit. How can a preacher lead their flock correctly when they disobediently joined their church with the state by getting a 501c3 contract which fulfills the prophecy of creating an image to the beast?

Luke 20:25 “*... Render therefore unto Caesar the things which be Caesar’s, and unto God the things which be God’s.*” How can a preacher lead their flock correctly when he leads them away from obeying God’s Fourth Commandment about His seventh day Sabbath? This disobedience is what the devil was counting on so that when it comes time to enforce his mark upon the world, most Christians will be unprepared.

The bottom line is this. Everything we are seeing in the world is leading to one thing: enforcement of Satan’s mark. As we speak, the vaccine is being used to lay the foundation needed to enforce the mark. The laws, regulations, and ordinances that have been made during the past almost two years are designed to force the public into compliance with government demands. This foundation is absolutely necessary for the mark of the beast to be enforced with as little pushback as possible.

The man of sin in Rome knows that the only way to enforce his dying god’s will upon mankind is by way of a global government structured in a Socialist format. This is precisely why you have seen such a heavy push, globally, for Socialism. This is why you have seen constitutions worldwide being rewritten, most especially the constitution of the United States. Satan knows that he has little time left, so his moves have been extremely obvious as of late. As he pushes his man of sin in the Vatican even harder, we see Socialism making serious headway in the world. This is the only format of government which can be used to dominate all peoples in all places. Make no mistake, Christian prophecy is 100% accurate ... Socialism WILL happen. And the vaccine is a MASSIVE steppingstone in making that happen.

In other words, the vaccine is **NOT** the main point of what we are seeing today, though depopulation is part of the agenda. The main point is the infrastructure being built up around the vaccine. Like I said earlier, the vaccine will eventually take second place to climate change ... but the talking points will all be the same. Segregate and lockdown anyone who refuses to adhere to the climate change agenda. As you can see, the laws are already in place to lock people down for as long as they deem necessary. From there, climate change will be used to enforce the mark. And that mark will come into force through the 501c3 churches who now have the legal ability to legislate law. They will use that ability to legislate for Sunday compliance.

It is now time to get right with the Lord. His prophecies have always come true with 100% accuracy, and it is no different in our time. All the final prophecies are set in place and ready to be fulfilled sooner rather than later. We have precious little time left, and we need to be prepared for our Saviour’s return. So, please, repent of all your known sins and give yourself completely to the Lord.

Matthew 6:8 “*... for your Father knoweth what things ye have need of, before ye ask him.*”

He will never do you wrong. He will guide you; He will save you; He will provide for you everything you need. And when His enemy tries to take away everything you have, the Lord will still give you food, water, and everything else you require. Trust in Him with all your heart and be ready to give your whole self to Him ... for He gave His whole life for you. I hope and pray you were blessed by what you have read. God bless!
